

Dear AFRW Members:

Your continued support and involvement in the Alabama Federation of Republican Women Camellia Club (active member) and Yellow Hammer Society (associate member) is valued and important.

The Camellia Club and Yellow Hammer Society play a vital role within the Alabama Federation of Republican Women and are comprised of some of our most dedicated and politically active members. By joining these organizations, you will not only be showing your support for AFRW, but you will also be able to join some of our most exclusive events and develop stronger connections with leaders within your own community and across the state.

AFRW, with over 1,700 members, is the largest grassroots organization in Alabama and is part of the National Federation of Republican Women (NFRW). Our goals are to support all Republican candidates through several avenues including financial donations and volunteer hours. We are committed to being prepared to help candidates across the state, especially those in closely contested races. **The Camellia Club, our registered PAC, will enable AFRW to support candidates.**

In 2023, Camellia Club members accomplished the following:

- We supported Republican candidates in tightly contested races across the state.
- With the help of many AFRW many AFRW members, we **volunteered countless hours** with phone calls, door to door canvassing, becoming poll workers/watchers.

Your donation of \$100 or more secures your membership in this distinguished group. Upon your confirmed membership, you will receive **the Camellia Club/Yellow Hammer pin, reserved seating at key AFRW events and your name listed in the 2024 Legislative Days Program.**

Checks should be made payable to AFRW and mailed along with the detachable form below to **Liz Bishop, 2043 Glen Eagle Lane, Birmingham, AL 35242** You can also use the QR Code to register through our secure Anedot account or click on the link below.

We hope you will join us as we partner together to secure the best future for Alabama!

Best,

Liz Bishop
