A message from our President....Tiffany Noel

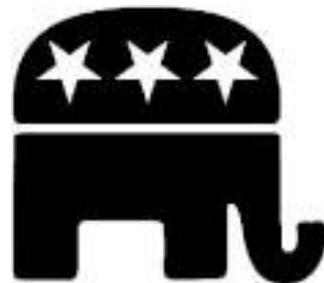

Happy Independence Day!

The year is already half over and we are ready to celebrate the birth of our nation. As you are cooking out, swimming in the lake and making homemade ice cream with your family, please pause to reflect on the blessing of being an American. My favorite President Ronald Reagan said this about Independence Day - "Let the Fourth of July always be a reminder that here in this land, for the first time, it was decided that man is born with certain God-given rights, that government is only a convenience created and managed by the people, with no power of its own except those voluntarily granted to it by the people." As we approach our Primary Run-off, remember how important it is to be involved in the process. We are voting to give the government power and that is something we take very seriously. We have invited all of the run-off candidates to our July 10 meeting and many of them are coming. Please come and listen as they tell us their vision for our state and community. Then, get involved. Choose a candidate to help and take your like-minded friends to vote. We have included a sample ballot in the newsletter so you will be prepared.

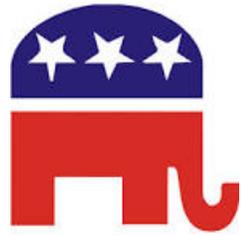

We will also have a chance to sign up to volunteer for the Space and Missile Defense Symposium. Our club sponsors a booth every year and we need people to help volunteer. You can see Vickie Camden and sign up at our meeting on the 10th. It has been another exciting week in Washington. Please be in prayer for our President and the Senate as they vote to confirm a Justice, to replace Justice Kennedy. This is one of the most important things President Trump will do while he is office and will have a significant impact for a generation. Enjoy your summer and hope to see you at our meeting and then out on the campaign trail.

On to victory,

-Tiffany
