A message from our President....Tiffany Noel

Fall is officially here! With the arrival of fall, we are beginning to see a welcome decline in temperatures and an increase in the holiday decorations!

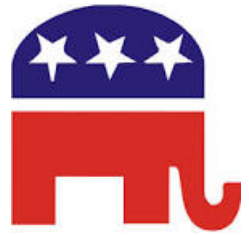

October is also the month of the Alabama Federation of Republican Women's convention. The AFRW 2017 Convention will be held in Prattville, AL on October 27-28th and I hope you will consider attending! Additional information can be found regarding the convention within this newsletter. Attending this convention is an excellent way to find out what is happening around our state and the opportunity to network with other Republican women.

A reminder that we will be voting on the officer slate for 2018 at the November meeting, so please try to be in attendance. As always, your vote counts! I look forward to seeing you all next month.

You are Invited...

AFRW 2017 Convention

When: October 27-28, 2017

Where: Montgomery Marriott, Prattville, Alabama

Details:

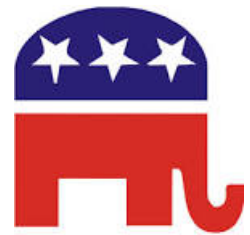

The AFRW Biennial Convention is being held October 27-28, 2017 at the Montgomery Marriott Prattville Hotel and Conference Center at Capitol Hill. We will be selecting new officers and preparing for the elections in 2018. In addition, there will be workshops on a variety of topics and the opportunity to win fabulous prizes in our wonderful AFRW Silent Auction.

Our special guest speaker this year is Representative Karen Handel, 6th Congressional District of Georgia. Many of you went to help her win as part of the Mighty Alabama Strike Force. She had to fight not only the opposition candidate but the opposition party which descended on Georgia with millions of dollars. It's hard to not be impressed with this fiscally conservative woman who has done a tremendous job in her state and now helps lead the country as a member of Congress.

We will also be honoring our past AFRW Presidents. We hope to see you at the AFRW 2017 Convention!

We are well into October and this month has already seen loss and tragedy. We have mourned the loss of friend and supporter of our club, Representative Jim Patterson. We continue to keep his family in our thoughts and prayers. Sadly, we were all witness to the unfolding tragedy in Las Vegas, NV. Together as a nation we mourned the 58 lives that were taken and the over 500 individuals who were injured as a result of the shooting. In the wake of this tragedy, we saw Americans taking care of Americans and protecting one another from injury. We continue to pray for our community, our nation, and our world.
