A Message from our President, Tiffany!

If you are one of the many who have not been able to join us lately, I want you to know that we miss you! We are praying that things will be getting back to normal soon, especially now that the vaccine is getting out. We are looking forward to seeing those who can make it on Tuesday for our monthly meeting at the Ledges with Congressman Mo Brooks. Also, we are planning an extra meeting in February. As a club, we are refocusing and beginning the campaign to take back the House and Senate in 2022 and elect new state and constitutional officers. We've decided there is no better way to begin our year than in prayer for our country. Please look over the invitation and join us on Monday, February 22, 2021. Caroline Aderholt, the wife of Congressman Robert Aderholt will be joining us as our guest speaker and prayers will also be led by Attorney General Steve Marshall and Speaker Mac McCutcheon. Our club proudly joined with the other Republican clubs in Madison County and the Morgan, Jackson, Limestone and Lauderdale Republican parties to help put on the First Amendment "Free the Speech" rally in Priceville last weekend. It was well attended and the speakers did a great job. It is encouraging to see so many people supportive of one of our most basic rights guaranteed by the Constitution. We may be discouraged, but we are not faint of heart. We will rise up stronger than ever and fight for our country. We can not let liberals win the war for our liberty and freedom. Socialism has never worked and will not work now. I'm including a quote that Congressman Brooks has been using for several months now, but is so important. This quote is from an article written by Thomas Paine entitled "American Crisis". General George Washington had this article read aloud to his troops when morale was low and this was used to raise their spirits to continue the fight for freedom. Thomas Paine's words were used to invigorate a dejected army. Following the reading of these words, the troops set out to cross the Delaware and began the turning point of the revolution." These are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph." Remember what we are fighting for and take heart. Our cause is righteous.

~ Tiffany

Look forward to seeing you this Tuesday as we welcome Congressman Mo Brooks!

Free the Speech Rally

On Saturday, January 23, 2021, the Morgan County GOP held a rally at Fredericks Outdoor to allow us like-minded Republicans to show our support for America, our Constitutional right to free speech, and opposition to suppression of ideology and liberty. Several area clubs (along with our club) were proud to support the event. Thanks to all who came out to support Congressman Mo Brooks, Congressman Barry Moore and many state and local leaders. For those who were unable to attend, we've included a few images from the Rally.

**A message from our Corresponding Secretary,
Heather Hallman.**

After 3 years of service, I recently delivered my letter of resignation to Tiffany. I'm thankful to have a career that has not led to a less busy time within our company over the past year. During this new year, I will have less time to devote to our club and my position on the board. With that said, I want to thank you each for the opportunity to have served you as a board member. It's been a pleasure to correspond with you in almost every medium available, but I especially enjoy compiling our newsletter to see all the great things we've done each month. Please continue to support Tiffany and our board as we venture on together to hold fast to our faith and love of country. Thanks again for the privilege of serving you.

~ Heather
