A Message from our President, Tiffany!

Can you believe it? We are just 32 days away from replacing Doug Jones! We have been talking about this for three years now. When Doug Jones came out last week saying that he wouldn't vote for the President's Supreme Court nominee, all I could think about was how many of us would not be voting for him. His time in Washington representing the good people of Alabama is coming to a close. Now is not the time to slow down or quit. There is so much work to be done. You will notice that all the Republican clubs in North Alabama have been challenged by the Tommy Tuberville campaign to see which club can make the most phone calls. Since we are such a large and active group - I think we can take on this challenge! The phone calls are easy to make. The kickoff will be this Saturday and the invitation is in the newsletter. Please make plans to attend or even contact Hannah with the Tuberville campaign and she can help you to make the calls from home. We love to win a contest, but we are even more excited to help bring a Republican victory on November 3rd. These phone calls really help to turn out our vote, which is crucial for the President and the Senate race. Also, notice the invitation to the Madison County GOP BBQ on October 29 at the Trash Pandas stadium. I hope our club will really show up. And of course, our fashion show is finally here. We are looking forward to hearing from Senator Marsha Blackburn and seeing our elected officials and candidates modeling. This is a great event and you won't want to miss out. We have a few tickets left, but are offering virtual tickets. This is a great way to support the cause, even if you can't join us in person. Let's keep working hard all the way up to Election Day. As always, I am working beside you. More importantly, I am praying daily for our President and the voters in the country and praying God's blessings on our country. Please join me in praying daily. As hard as we work, prayer is the most important thing we can do.

~ Tiffany

Look forward to seeing those who will be joining us on Oct 6 at The Ledges as we welcome several guests who will be sharing information on how we can help Get Out The Vote!
