## Message from the President...Tiffany Noel

Merry Christmas and Happy New Year! What an exciting month we have had and an even more eventful future to come! This new year will bring a new administration in Washington, DC and a new President Donald Trump. We are also thrilled to be sending Senator Shelby and Congressman Brooks back to their spots in Congress. These successes--and many others--were only made possible due to all of you who worked so hard. As a club, we sponsored several of the meals for the canvassing team that traveled to Jacksonville, Florida with the Mighty Alabama Strike Force. The state of Alabama sent several teams to Florida and I am convinced that the work these teams did are what helped pull Florida through as a win for Trump. A big thank you to our members who worked on the strike force teams - especially Len Vaught, Sandy Garvey and Joyce Clark. We've included a few photos from the Strike Force trips in the newsletter, so be sure to look for those. Congratulations also to RWH member Shere Rucker who we helped with our PAC funds in her win for the Madison County School Board. We also want to thank our associate member Tim McNeese for all his hard work on his election. Unfortunately, he did not win - but we are so grateful for the time he spent and know that his efforts helped to grow our party.

Speaker Mac McCutcheon will be our guest speaker for the luncheon on December 6; I hope you are all looking forward to that. Also, please remember to bring unwrapped toys to collect for Toys for Tots. This is a great time of year to pause, reflect and thank God for our many blessings. We live in the greatest country on earth and in an area of the country that is doing well both economically and providing for the defense of our country. We are blessed still be able to worship freely and live our lives in relative comfort. I hope you all enjoy your holidays and that they are filled with family and friends. Pause to reflect on your personal blessings and our blessings as a country. We pray for our new President Elect Donald Trump and his family and Vice-President Elect Mike Pence and his family. We also pray for all of our members of Congress and other elected officials. We look forward to the start of this new year and are eager to see the changes that the Republicans will make. And we are most thankful for our Savior - the Messiah who was born as a child, sent by God to save the world. May His presence in our lives bless us this Christmas and into the new year. - *Tiffany*

# SHERE RUCKER

MADISON COUNTY SCHOOL BOARD DISTRICT 5

November 2, 2016

Republican Women of Huntsville  
c/o Tiffany Noel  
Congressman Mo Brooks  
2101 W. Clinton Avenue  
Suite 302  
Huntsville, Al 35805

Dear Republican Women of Huntsville,

Thank you very much for your generous contribution to my campaign for the Madison County School Board! I really appreciate your support and it will help me cover the cost of enabling voters to make an informed decision when they vote on November 8<sup>th</sup>.

This election for Madison County School Board, District 5, will provide new leadership for our schools. Eleven years ago, my husband, Richard, and I made Monrovia our home. Our community is a great place to raise a family, and we want the very best education and schools possible for our children and every child in the Madison County School System. I look forward to working with parents, teachers, administrators, and elected officials to define a strategic vision for our schools and to move forward to achieve it. I became a fulltime stay at home mom in 2009, but before that, I worked for nineteen years in corporate accounting, fifteen of those years as a CPA. I look forward to putting my financial experience and analytical abilities to work for our school system. I am committed to using my time, energy and talents to provide leadership and vision and to make good decisions for our school system and community.

Again, thank you so much for your generosity and support. We are running ads on Facebook, sending mailers, making phone calls, going door to door and preparing for next Tuesday. I am very hopeful of declaring victory and cannot wait for November 8th!

Sincerely,

Shere Rucker

# Semper Fi

Community Task Force Of  
North Alabama

November 1, 2016

Republican Women of Huntsville  
Attn: Ms. Tiffany Noel  
1310 Wind River Circle  
Huntsville, AL 35802

Dear Madam President:

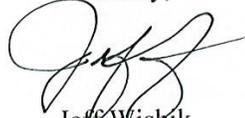

Please allow us to acknowledge receipt of, and to thank the Republican Women of Huntsville, for your November 2016 donation in the amount of \$500.00. Your support for the Task Force and our Making A Difference activities is greatly appreciated.

The Semper Fi Community Task Force is an all-service, all-volunteer, 501 (c) (3) non-profit, veterans support organization. Our mission is to apply the values (honor, courage and commitment) and skills we learned in military service to our nation to community service in the Tennessee Valley through volunteerism. We continue to focus on several service areas – Veterans and Youth Outreach, Community Support and Gold Star Racing as well our two signature events – Heroes Week and Heroes Outdoor Adventures.

Each of our activities addresses both the needs of our community and the special service members serving our nation. For example, each year during Heroes Week the Task Force invites wounded veterans and their caregivers to the Tennessee Valley for a week of truly special events at no cost to them. For many of the 60-70 guests, this is their Welcome Home after returning from theater and following the long hospitalization and recovery process. Increasingly this week becomes a life changing adventure filled with love, respect and genuine caring.

Thank you for helping us achieve our goal of “Serving those who preserve our freedom!”

Sincerely,

Jeff Wishik  
Chairman

P.O. Box 1061  
Madison, AL 35758

## Message from the AFRW President

All,

It's hard to put into words the heartfelt thanks and gratitude so many feel about the results of the election. Every day someone mentions how they just 'feel' different - knowing that our fellow citizens have voted and overwhelmingly decided to change the trajectory of our nation. Our steps are lighter, our minds clearer and hearts more joyful. A new tomorrow - a brighter future awaits us.

Equally hard is HOW to say thank you to the members and friends of the AFRW who traveled to other states, made phone calls, staffed headquarters, contributed money and so many other selfless acts to support this sea change in our national leadership. You all have done a tremendous job - you and the powerful sisterhood that stretches across this nation. You said that enough was enough and we were going to turn this around. You did it - you all worked your hearts out and made the change happen. There is no amount of money that could have bought forth the passion, dedication and sheer willpower that went into play in order to put a Republican back in the White House, hold the Senate and hold the House.

When Florida was called for Trump, we all knew that it was done, that we could breath easier and that your work had delivered a victory.

The change is almost overwhelming and truly every day - weeks later - people still talk about the joy they feel over the outcome. Your handiwork - our indebtedness.

On behalf of the rest of us - we thank you. We are grateful.

With humble thanks,

*Frances Taylor,*

AFRW President
