## Message from the President...

Ladies,

Once again, the seasons are changing and we are marching towards the end of 2016. Pumpkins are appearing everywhere, football season is starting and school is back in full swing. But most importantly, the election is now 64 days away! I don't have to tell this group how important it is for us to win the election this year. If you are interested in helping and getting in some great volunteer hours, the Republican HQ on Governors Drive is now opening up full time, which is five days a week and Saturdays. They will be needing lots of volunteers. Also, the Alabama Republican Party is working on the Mighty Alabama Task Force which will take volunteers from Alabama to several different swing states to work for the Trump campaign. Our newsletter has information on both of these opportunities. There's also a great event coming up with the AFRW and Concerned Women for America on September 15. This would be a great time to get a group of ladies together and drive down to Birmingham for lunch. Our ladies were busy this month as well. We had several volunteer to help us staff a booth at the Space and Missile Defense Symposium. We were in a high profile area and made several new contacts. We were well represented by members of our club at the state GOP Convention in Huntsville a few weeks ago and enjoyed hearing several speakers from the RNC and our own Senator Jeff Sessions and Congressman Mo Brooks. Finally, we can't forget our very important local elections. We have a chance to add another Republican to the County Commission and beat a long time Democrat. We also have a school board race. Please be considering how you can help out in this most important election.

*Tiffany*
